Section 4. All Lots Bear the Burdens and Enjoy the Benefits of this Declaration. Every person who is a record owner of a fee or undivided fee interest in any Lot does, by acceptance of a deed or other conveyance thereto, and by acceptance of such ownership, and

by taking record title to such Lot, agree to all of the terms and provisions of this Declaration. Each of the Lots is subject to all the burdens, and enjoys all the benefits, made applicable hereunder.

Section 5. Easements Over the Lots. The Lots shall be subjected to, and the Declarant does hereby grant to the appropriate grantees thereof, an easement for the entry by the authorized agents and representatives of the Association to go upon such Lot under the circumstances, and for the purposes described in Article VI of this Declaration.

ARTICLE III.

COMMON ELEMENTS

Section 1. Common Elements. The Declarant shall have the right to transfer and convey to the Association any portion of the Falcon Ridge Property. All portions of the Falcon Ridge Property which the Declarant shall so transfer or convey to the Association shall thereafter constitute Common Elements. Said right may be exercised by the Declarant any time, and from time to time, prior to December 31, 2007.

All portions of Falcon Ridge Property which shall be transferred to the Association by the Declarant (a) shall be conveyed to the Association by limited warranty deed free of debt encumbrance, and (b) shall be conveyed to the Association subject to the rights and easements set forth in Sections 2 and 3 of this Article III, irrespective of whether the deed of conveyance shall make a specific reference to such rights and easements.

By joining in the execution of this Declaration, the Association does hereby covenant and agree to accept all conveyances of the Common Elements which may be made to it pursuant to, and in accordance with, the terms and provisions of this Section 1.

Section 2. Members' Rights in the Common Elements. Every owner of any Lot located thereto shall have a non-exclusive right and easement of enjoyment and use in and to the Common Elements and such right and easement shall be appurtenant to, and shall pass with, the title to the Lot(s) owned by such owner. Such right and easement of enjoyment and use are and shall be subject to the easements which are described in Section 3 of this Article III and to the right of the Association to promulgate reasonable rules and regulations regarding the use of the Common Elements, and the right of the Association, as provided in the Bylaws, to suspend the enjoyment rights of the owner of any Lot during any period in which any assessment which is due to the Association from such owner remains unpaid, and such period as the Executive Board may consider appropriate for any infraction of its published rules and regulations. No such suspension, however, shall prohibit the owner of any Lot from using the Common Elements to the extent necessary for such owner to have access to and from his Lot. In addition, the Executive Board may permit other persons who are not residents of any Lots to use the Common Elements upon such terms and conditions, and for the payment of such fees, as shall be determined by the Executive Board.

Section 3. Easements Over the Common Elements. All Common Elements shall be subject to, and Declarant and the Association do hereby grant, the following easements:

(a) An easement across, in, under, over and through the Common Elements for the purposes of the construction, installation, repair, maintenance and use of all utility and drainage lines, wires, pipes and similar facilities as exist on the date of this Declaration; and

(b) An easement in favor of Declarant for the exclusive use of such portions of the Common Elements as may be reasonably desirable, convenient or incidental to the construction and installation of improvements on, and the sale of, any Lots thereon, including, but not limited to, sales and business offices, storage areas, construction yards and signs. Such easements shall be exercisable by any and all persons whom the Declarant shall authorize to exercise the same, including, without limitation, real estate sales agents and brokers and builders of residences upon the Lots, irrespective of whether such persons are affiliated with the Declarant. Such easements shall exist notwithstanding any provision of this Declaration which might be construed to the contrary, but shall terminate at such time as the construction on the Lots of all homes has been completed and all of the Lots shall have been conveyed to owners thereof who shall not have acquired the Lots for the purpose of immediate resale of the same. Such easements shall and do exist without affecting the obligation of the owner of any Lot to pay assessments or charges coming due during such period of time as portions of the Common Elements shall be used by authorized persons pursuant to the exercise of the easements herein stated.

Section 4. Damage or Destruction. All damage that shall occur to any improvements on any Common Elements on account of the occurrence of any casualty shall be repaired in all events. Such repairs shall be undertaken and completed as soon after the occurrence of any casualty as is reasonably practicable. All repairs to any improvements located on the Common Elements shall be made in accordance with plans and specifications that shall be approved for the same by the Executive Board of the Association.

As provided in Section 47F-3-113 of the Act, it shall be the duty of the Association to obtain and maintain in effect at all times a policy of casualty insurance on all improvements located on the Common Elements. The amount of such policy shall be in amount that is no less than eighty percent (80%) of the replacement cost of the improvements to be insured with deductibles in amount to be determined by the Executive Board. It shall also be the duty of the Association to obtain and maintain in effect at all times a comprehensive policy of public liability insurance. The comprehensive policy of public liability insurance shall have a reasonable amount of coverage, as shall be determined by the Executive Board, and shall provide for such deductibles, as shall be determined by the Executive Board. During the existence of the Class B membership of the Association, both insurances may be provided by a self-insurance program maintained by the Declarant.

The owner of each Lot shall obtain and maintain in effect at all times a master multi-peril policy of property insurance covering all insurable portions of such home, on a replacement cost basis in an amount of not less than one hundred percent (100%) of the insurable value, based upon replacement cost, of the same.

Section 5. Transfer or Encumbrance. In no event shall the Association abandon, encumber, sell or transfer, directly or indirectly, any portion of the Common Elements unless such abandonment, encumbrance, sale or transfer shall be first approved in writing by: (a) the owners of no fewer than eighty percent (80%) of the Lots, and (b) the holders of no fewer than eighty percent (80%) of the First Mortgages existing in regard to the Lots; and (c) HUD and VA, until such time as the Class B membership shall terminate (as provided for in Article IV, Section 3 of this Declaration.)

Section 6. Maintenance of the Common Elements. The Association shall be responsible for the maintenance and repair of all Common Elements.

ARTICLE IV. THE ASSOCIATION

Section 1. The Association. Prior to the date this Declaration has been filed for record with the Register of Deeds of Mecklenburg County, North Carolina, the Declarant has caused the Association to be formed, and the Association does now exist, under its Articles of Incorporation and Bylaws.

The Association has been organized for the purpose of providing for the maintenance of the Lots required to be performed by the Association pursuant to the provisions of Article VI hereof and of assessing the Lot owners and the Lots as provided for in Article V hereof.

Section 2. Membership. Every person who is, or who becomes, a record owner of a fee or undivided fee interest in any Lot is and shall be a member of the Association; provided, however, that any such person who holds such interest merely as security for the performance of an obligation shall not be a member of the Association. The transfer of ownership of a fee or undivided fee interest in any Lot shall automatically transfer membership in the Association, and in no event shall such membership be severed from the ownership of such Lot.

Section 3. Classes of Membership; Voting Rights. The Association shall have two classes of voting membership: Class A and Class B.

(a) Class A. The Class A members shall be all those persons holding an interest required for membership in the Association, as specified in Section 2 of this Article III, except for those persons who are Class B members. Until such time as the Class A members shall be entitled to full voting privileges, as hereinafter specified, the Class A

membership shall be entitled to vote only in regard to the following matters: (a) any proposal of merger, consolidation or dissolution of the Association; (b) any proposal pursuant to Article VI of this Declaration to amend this Declaration; (c) any proposal to modify or amend the Articles of Incorporation or by the Bylaws; and (d) any other matter for which it is herein specifically provided, or for which it is provided by law, that approval of each and every class of membership of the Association is required. Except in regard to the foregoing matters, the Class A membership shall be a non-voting membership until such time as the Class B membership shall terminate, at which time the Class A membership shall be the sole class of membership and shall be entitled to full voting privileges.

When entitled to vote, Class A members shall be entitled to cast one (1) vote for each Lot in which they hold an interest required for membership by Section 2 of this Article III.

(b) Class B. The Declarant shall be the sole Class B member. Class B membership shall be a full voting membership and, during its existence, the Class B member shall be entitled to vote on all matters and in all events. The Class B membership shall terminate and cease to exist, and the Class B member shall be and become a Class A member insofar as it may then hold any interest required for membership by Section 2 of this Article III, upon the earliest to occur of: (i) the date on which the Declarant shall have conveyed to individual owners thereof seventy-five percent (75%) of the Lots, or (ii) January 1, 2011 or (iii) on such earlier date as the Declarant shall designate in a written notice delivered to the Association.

From and after the date at which the Class B membership automatically terminates and ceases to exist, such membership shall not be renewed or reinstated.

Section 4. Suspension of Membership Rights. The membership rights of any member of the Association, including the right to vote, the right to use the Common Elements and the right to landscaping services provided by the Association, may be suspended by the Executive Board pursuant to the authority granted in the Bylaws. Any such suspension shall not affect such member's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent charge and lien on the member's property in favor of the Association.

Section 5. Meetings of the Membership. All matters concerning the meetings of members of the Association, including the time at which and the manner in which notice of any said meeting shall be given to members, the quorum required for the transaction of business at any meeting, and the vote required on any matter, shall be as specified in the Act, this Declaration, or in the Articles of Incorporation or the Bylaws, or by law.

Section 6. Association Acts Through Its Executive Board. Whenever approval of, or action or inaction by, the Association is referred to or called for in this Declaration, such action, inaction or approval shall be by the Executive Board of the Association, unless it is specifically stated in this Declaration, the Articles of Incorporation or the Bylaws with respect

to such action, inaction or approval that the members of the Association must vote. No member of the Executive Board of the Association or any officer of the Association (including, without limitation, any such individual who shall have been elected by a vote of the Class B member) shall be personally liable to any owner of any Lot for any mistake of judgment or for any other act or omission of any nature whatsoever, except for any acts or omissions found by a court of competent jurisdiction to constitute gross negligence or fraud.

Section 7. Professional Management. The Association may, but shall not be obligated to, obtain and pay for the services of any person or other entity to perform the duties of the Association, including the performance of the grounds maintenance services which is the responsibility of the Association under this Declaration and the management of the Association's finances and the Common Elements.

ARTICLE V.

ASSESSMENTS

Section 1. Assessments; Lien Therefor. Each person other than the Declarant who shall own any Lot, by acceptance of a deed or other conveyance thereto, and by acceptance of such ownership, and by taking record title thereto, shall be deemed to covenant and agree to pay to the Association all assessments and charges which are levied by the Association against the Lot(s) owned by such person in accordance with the terms and provisions of this Declaration.

As more fully provided in Section 47F-3-116 of the Act, all sums lawfully assessed by the Association against any Lot and the owner thereof, which shall remain unpaid for a period of thirty (30) days from the date of such assessment, shall constitute a lien in favor of the Association on such Lot when a claim of lien is filed of record in the office of the clerk of Superior Court of the county in which the Lot is located. Such lien shall be prior and superior to all other liens whatsoever, except:

- (a) liens for ad valorem taxes and other governmental assessments on the Lot;
- (b) any lien that was properly recorded prior to the docketing of the claim of lien in the office of the clerk of superior court;
- (c) the lien of any First Mortgage or the lien of any prior Mortgage recorded in the Deed Records of Mecklenburg County, North Carolina; or
- (d) the lien of any secondary purchase money Mortgage covering the Lot, provided that neither the grantee nor any successor grantee on the Mortgage is the seller of the Lot.

Section 2. Personal Obligation of Members. Each member of the Association other than the Declarant, by acceptance of a deed or other conveyance to the Lot(s) owned by such member, irrespective of whether it shall be so expressed in any such deed or other conveyance, and by acceptance of ownership of such Lot (s), and by taking record title to such Lot(s), shall be deemed to covenant and agree to pay to the Association:

(a) His share of the Annual Assessments which shall be levied by the Association in accordance with Section 4 hereof; and

(b) When properly authorized in accordance with Section 5 hereof, special assessments, such annual and special assessments to be fixed, established and collected from time to time as hereinafter provided.

All such assessments, together with interest thereon and costs of collection thereof, as hereinafter provided, shall be the personal obligation of the person who is the owner of the Lot against which such assessments are levied at the time such assessments become due and payable. The covenant to pay assessments herein stated is and shall be a covenant running with the land.

Section 3. Purposes of Assessments. The assessments levied by the Association pursuant to this Article V shall be used to pay the costs and expenses which the Association shall incur in connection with the performance of its duties and responsibilities pursuant this Declaration, the Articles of Incorporation and the Bylaws (such costs and expenses being herein referred to as the "Annual Expenses"). Without limiting the generality of the foregoing, the Annual Expenses shall include the costs of: the maintenance of the Lots as provided in Article VI; the payment of the fees of such management firms as the Executive Board shall employ; payment of the fees for the provision of such professional services as the Executive Board shall determine to be required by the Association, including legal and accounting services and the payment of the fees for the maintenance of the Common Elements, including but not limited to any amenities center that may be constructed in the Falcon Ridge Subdivision.

Section 4. Determination of Annual Assessment. Prior to the commencement of each fiscal year of the Association (said fiscal year being specified in the Bylaws), the Executive Board shall estimate the total amount of the Annual Expenses which are anticipated to be incurred by the Association during such fiscal year and shall determine the amount which will be deposited during such fiscal year into reserve funds maintained by the Association. The Executive Board shall thereupon adopt a budget for the Association's expenditures and reserve fundings based upon such estimate and providing for the total annual assessment to be levied against the members of the Association for such fiscal year (the total assessment which shall be so determined and levied against all of the members of the Association for any fiscal year is herein referred to as the "Annual Assessment"). The amounts so determined by the Executive Board shall be levied against all of the members of the Association other than the

Declarant and all Lots not owned by the Declarant. The amount of the Annual Assessment levied against each Lot shall be the same as the amount levied against every other Lot. Each Lot not owned by the Declarant shall be liable for that share of every Annual Assessment which is so determined by the Executive Board. The Executive Board shall send a copy of the budget so adopted by it, together with a written notice of the amount of the Annual Assessment so determined for such fiscal year and the amount of such Annual Assessment which shall be levied against each Lot, to the owner of every Lot prior to the commencement of the fiscal year during which such Annual Assessment is to be paid. The amount of such Annual Assessment which shall be levied against each Lot shall be due and payable to the Association in such installments the Executive Board shall determine, and after notice of the same shall have been given to all of the members of the Association by the Executive Board, and shall be paid to the Association when due without further notice.

Section 5. Special Assessments. If for any reason, including non-payment of any assessments to the Association by the persons liable therefor, the budget adopted by the Executive Board for any fiscal year shall prove to be inadequate to defray the Annual Expenses for such fiscal year or if the Executive Board shall determine that it is in the best interest of the Association to levy a special assessment to pay the costs of any capital improvements or capital repairs, the Executive Board shall have the authority to levy a special assessment against the Lots and the owners thereof (other than the Declarant) to raise such needed funds. Any special assessment levied by the Executive Board pursuant to the provisions of this Section 5 shall be payable at such times and such installments as the Executive Board shall determine. Each Lot not owned by the Declarant shall be liable for the payment of an equal share of every special assessment which shall be levied by the Association pursuant to the provisions of this Section 5.

Section 6. Lots Owned by Declarant. Notwithstanding any term or provision of this Declaration which may be construed to the contrary, no Lot owned by the Declarant shall be subject to any assessment provided for in this Article. Rather, all Lots owned by the Declarant shall be exempt from the payment of all assessments for so long as such Lots are owned by the Declarant. At such time as any Lot which is owned by the Declarant shall be conveyed or transferred away by the Declarant, all liens and assessments provided for in this Article V shall become immediately levied against such Lot and the owner of such Lot shall immediately become liable for the payment of all such assessments. The amount of each Annual Assessment which shall become so payable with respect to any Lot shall be prorated according to the respective portions of the fiscal year that such Lot was owned by the Declarant and by such successor owner.

Section 7. Effect of Non-Payment of Assessments; Remedies of the Association.

(a) In the event that any member of the Association shall fail to pay, within ten (10) days after the date the same is due and payable, any annual or special assessment, or any installment of any annual or special assessment which is payable by him to the Association, the entire amount of such assessment, including the portion thereof which would

otherwise be payable in installments, may be declared by the Executive Board to be immediately due and payable in full to the Association. All such amounts so declared by the Executive Board to be due and payable in full to the Association shall be secured by the lien of the Association on every Lot owned by the delinquent member, which lien shall bind such Lot or Lots in the hands of the then owner, and his heirs, devisees, successors and assigns.

(b) All amounts which the Executive Board shall declare to be due and payable pursuant to this Section 7 shall bear interest from the date of delinquency at the lower of the rate of eighteen (18%) percent per annum or the highest rate permitted by law, and the Association may bring legal action against the member of the Association personally obligated to pay the same, or foreclose its lien upon the Lot or Lots of such member, in either of which events such member shall also be liable to the Association for all costs and attorneys' fees which the Association shall incur in connection with the collection of such delinquent amounts.

ARTICLE VI.

MAINTENANCE OF LOTS, BACKYARD AREAS AND LANDSCAPING

Except as provided otherwise in this paragraph, the Association shall be responsible for maintaining the grass and the grounds of the portion of each Lot which is not located inside a fence. Such maintenance shall consist of normal grass mowing and any other activity necessary to keep such grounds in a condition that is both satisfactory to the Executive Board and in compliance with the requirements of the Master Declaration, including, without limitation, the requirement that such Lot be maintained in a condition that is satisfactory to the board of directors of the Master Association.

The owner of any Lot shall be obligated to maintain any trees, flowers, shrubbery or bushes on such Lot in a condition which is in compliance with the requirements of the Master Declaration, including, without limitation, the requirement that such Lot be maintained in a condition that is satisfactory to the board of directors of the Master Association. Such maintenance shall include, without limitation, removing dead trees, shrubs and other plants and pruning and otherwise maintaining all plants, shrubbery, trees, flowers, bushes, ivy and other foliage.

The owner of each Lot shall be obligated to keep and maintain any portion of the Backyard Area of such Lot which is enclosed within a fence erected in accordance with the Master Declaration in a neat, sanitary and attractive condition which is in compliance with the requirements of the Master Declaration, including, without limitation, the requirement that such Lot be maintained in a condition that is satisfactory to the board of directors of the Master Association. Such maintenance shall include, without limitation, cutting the grass, weeds and other vegetation, removing dead trees, shrubs and other plants and pruning and otherwise maintaining all plants, shrubbery, trees, flowers, bushes, grass, ivy and other foliage as may be planted in and on such Backyard Area.

No playhouse, children's play equipment, exercise equipment, above ground swimming pool or any other like structure shall be commenced, constructed, installed, erected or maintained upon any Lot or any Common Elements. No in-ground swimming pool shall be commenced, constructed, installed, erected or maintained upon any Lot until complete and final plans and specifications, setting forth any information requested by the board of directors of the Master Association or by any committee acting through such board of directors, shall have been submitted to, and approved in writing by the board of directors of the Master Association or any committee acting through such board of directors.

ARTICLE VII.

AMENDMENT
